

INTERNATIONAL SUFI MOVEMENT

Welcome to the
International Summer School
Universel Murad Hassil
July 12-19, 2011

THE INNER PATH

"The goal of the spiritual person is self-realization, and his journey is towards the depth of his own being, his God, his ideal."

Hazrat Inayat Khan, The Inner Life

"The path of freedom leads to the goal of captivity; it is the path of discipline which leads to the goal of liberty."

Hazrat Inayat Khan, Gayan

You are warmly invited to join fellow seekers on the inner path at the International Summer School, organized annually by the International Sufi Movement, and held at the Universel Murad Hassil in Katwijk aan Zee, the Netherlands.

The Summer School is an opportunity to meet – or meet again – with brothers and sisters from around the world, to deepen in our attunement to the teachings of Sufism, and to advance – perhaps a few steps, or perhaps more – along the inner path that leads to the sacred ideal.

The program of the Summer School offers a wide range of activities, from sacred readings of the teachings of Hazrat Inayat Khan and meditative exercises such as breathing practices and the Singing Zikar, to Dances of Universal Peace, element attunements and sacred song.

With reverence for the past, there will be several sessions about the early days of the Movement, and the lives of Hazrat Inayat Khan and his Brothers, as well as an opportunity to visit the cemetery where the Brothers are buried, and the Sufi Museum in The Hague. And with hope for the future, there will be a three-day program for children, running parallel to the Summer School and culminating with a presentation to the adults.

While treading the inner path, the Sufi lives with feet on the ground while the head reaches upward to the heavens; therefore participants will be asked to help with various domestic duties during the Summer School – serving the food, washing the dishes, setting up the hall for programs, and so on.

More details on the program and information about costs and registration are enclosed. Participants are kindly encouraged to register before June 1st.

"The one who seeks the spiritual path is sought after by the spirit."

Hazrat Inayat Khan, Nirtan
